

Dear sirs and madams

An exciting, new Erasmus+ Joint Master Degree in AquaCulture, Environment and Society (ACES) due to start in September 2015. Students will be taught by a team of international experts, have the chance to study in three fantastic locations throughout Europe and gain the skills required to address an issue of global importance: food security through sustainable aquaculture production.

Over 10 full Erasmus+ Scholarships will be awarded each year to the top applicants. These scholarships will cover tuition fees, living and travel expenses. The deadline for scholarship applications is **20 February 2015**.
