

Presentation of MITEF Greece Startup Competition

Monday, 7 November 2016, 15.30h

FORTH AMPHITHEATRE, G. LIANIS

MIT Enterprise Forum Greece, in cooperation with **FORTH**, is organizing an **open event for the presentation of MITEF Greece Startup Competition 2017**, in order to inform startups operating in the field of technology and research, on the new competition.

The keynote speaker of the event will be [Marina Hatsopoulos](#), Angel Investor & Entrepreneur, who will analyze the most important parameters for the financing of startups. Moreover, [Vasilis Papakonstantinou](#), Chairman of MIT Enterprise Forum Greece, will inform the public about this year's competition. During the event all interested parties will have the opportunity to ask questions about their application.

The MITEF Greece Startup Competition is a business skills accelerator in which Greek technology startups compete for prizes. If you have an exciting new product or service, participating in MITEF Greece Startup Competition will give you access to the practical knowledge, mentorship, and resources to take your venture to the next level.

Applications for the competition are made through mitefcompetition.org platform, will **start from October 28, 2016 and will expire at midnight on December 20, 2016**. In January 2017, the judges will select the top 25 groups that will move on to the second stage.

For more information please follow the link [MITEF Greece](#).

The event will be held in English.
