Activities of the BSEC Member States in the field of energy aimed at implementing the Sustainable Development Goal 7 (**ensure access to affordable, reliable, sustainable and modern energy for all**) are guided by the **BSEC Green Energy Strategy** adopted in June 2018.

Upon the request of the coordinator of the BSEC-GEN, the BSEC PERMIS is forwarding, here attached, the letter addressed to the BSEC PERMIS Secretary General with regard to the necessity of renewal and expansion of the BSEC-GEN.

The BSEC PERMIS further requests the esteemed Ministries to forward the above mentioned letter along with the attached form (**to be filled-in and returned back to PERMIS by 30 March 2023 at latest**) to the relevant authorities as well as academic institutions, consulting companies, green energy investors and entities interested to contribute to the implementation of projects in the field of Green Energy.

The Permanent International Secretariat of the Organization of the Black Sea Economic Cooperation avails itself of this opportunity to renew to the Ministries of Foreign Affairs of the BSEC Member States the assurances of its highest consideration.
