

# EURAXESS Connecting Talents in Research Across Europe Results & Future Pathways

23rd April 2026

online

ERA TALENT

Funded by  
the European Union

## IF YOU ARE

- *Already part of EURAXESS network and curious to explore the ERA TALENT's results?*
- *Not part of the EURAXESS network, but interested in building synergies and working together?*
- *Seeking inspiration to improve engagement and services for researchers?*

Over the last three years, the ERA TALENT project has worked to enhance the services offered by EURAXESS, supporting mobility and career development for researchers.

*Now it's time to **celebrate**, looking to the **future!***

The closing event of the ERA TALENT project will

## CONCEPT

- showcase results (tools, practices, collaboration examples) produced for the benefit of the EURAXESS community and beyond
- offer engagement examples and practices already in place as sources of inspiration
- highlight potential future collaboration pathways with stakeholder institutions

## TARGET

- ERA TALENT project consortium
- EURAXESS Network members
- Synergies project representatives
- EURAXESS Worldwide

## WHAT IS EURAXESS?

EURAXESS is a European initiative that supports researchers by providing information and services related to research careers, mobility opportunities, and collaboration across Europe and beyond.
